Property Description

We present this country property located in a unique spot in the Menorcan countryside with an area of 200,000m² of land and various buildings that offer multiple possibilities to future buyers.

The main house, which has a spacious living-dining room, open plan kitchen, 4 bedrooms and two bathrooms, was an old barn that was legalised to become what it is today; there is access to a spacious terrace on one side and the typical stone patio with the pool and a summer kitchen with barbecue on the other...
